

BRISSISSITY™

FINZER ROLLER'S SOLUTION TO RAZOR SLITTING AND PIN PERFORATING

Winner
2013 AIMCAL
Technical
Excellence
Award

STOP using expensive, time consuming metal or rubber covered Anvil rolls. Finzer Roller's NEW BACK-UP BRUSH is unmatched in the paper, film and foil industries.

**INDUSTRY
TESTED**

Increases razor and pin life

Superior slitting and perforating quality

Misalignment of pins and knives virtually impossible

Reduces setup time and worker's injuries when changing web widths and perf patterns
