

## Paper Industries Premier Rubber Compounds

### CHECKMATE HGS-HT

#### Applications:

Tissue Embossing Back Up Rolls, Laminating Rolls

#### Technical Data:

- Product: Premium Rubber Roll Cover
- Color: Green
- Maximum Pressure: 300 PLI
- Hardness: 150-50 P&J
- Typical Cover Thickness: UP to 1.00"
- Maximum Temperature: 320 F°/160 C°
- Chemical Resistance:
  - ◇ Superior resistance to acids, oils and alkalis
  - ◇ Fair resistance to aliphatic solvents
  - ◇ Caution with aromatics
- Product Features:
  - ◇ Superior abrasion resistance
  - ◇ Specifically formulated for elevated temperatures
  - ◇ Low hysteretic properties
  - ◇ Good release characteristics
  - ◇ Excellent aging and ozone resistance
